8.3 PROCUREMENT POLICY & STRATEGY UPDATE 2023

RESOLUTION 2024/45

Moved: Cr Denise Eaglesome-Karekare

Seconded: Cr Roslyn Thomas

The Pouwhakarae - Hua Pumau | Group Manager Assets & Infrastructure RECOMMENDS that Council endorses the Procurement Policy and Strategy 2023 subject to the Tender Evaluation Panel going through the documents in detail with the Group Manager – Assets and Infrastructure and giving final approval.

CARRIED

The Group Manager – Assets and Infrastructure spoke to the report highlighting that the strategy has been approved by NZTA as it allows for broader outcomes which secures a funding partnership moving forward. A brief discussion arose around the Tender Evaluation Panel (His Worship, Kitea, Chris Olsen and Chaans) and how they will set the tender guidelines and be included from the start. His Worship requested the Group Manager – Assets and Infrastructure go over the documents in detail with members on the Tender Evaluation Panel together.

8.4 LOCAL WATERS DONE WELL - HAWKE'S BAY WATER DRAFT TERMS OF REFERENCE

RESOLUTION 2024/46

Moved: Cr Jeremy Harker

Seconded: Cr Denise Eaglesome-Karekare

The Tumu Whakarae Chief Executive RECOMMENDS that Council receive the report and;

1.1. Adopt the Terms of Reference set out in Attachment 1.

1.2. Note that with its adoption, Council will:

1.2.1. endorse the hiring Project Management support, within the Regional Recovery Agency (RRA), to work on the Hawke's Bay Water programme

1.2.2. endorse the use of \$1.2m plus GST of Local Water Done Well Support Package

Funding (previously Council Transition Support and other DiA funds) toward the deliverables outlined in the Terms of Reference

- 1.2.3. support the Hawke's Bay Water work programme and process, including:
 - Engagement with mana whenua
 - Providing expertise from council officers to support the process
- 1.3 Note that as legislation progresses and further Government policy is released, the Terms of Reference may need to be altered as appropriate for context.

CARRIED

Elected members requested to see the financial projections of the model to compare to Wairoa District Councils and were supportive of being included to develop the model. Elected Members suggested to host the next Regional Collaboration day in August in Wairoa.

Noted that elected members adopted the terms of reference on the basis that it doesn't lock Council into any future decisions.

8.1 2024 REPRESENTATION ARRANGEMENTS REVIEW

Author: Lauren Jones, Acting Group Manager - Community Services and Development

Authoriser: Kitea Tipuna, Tumu Whakarae Chief Executive

Appendices: 1. 2024 Representation Arrangements Review [↓](#)

1. PURPOSE

1.1 To consider the adoption of an initial proposal on the representation arrangements for at least the 2025 triennial elections.

RECOMMENDATION

The Acting Group Manager - Community Services and Development RECOMMENDS that Council

- a) Receives the report titled 2024 Representation Arrangements Review, dated 30 July 2024; and
- b) adopts as its initial proposal, for at least the 2025 triennial local elections, one of the following options:

Option One:

Wairoa District Council to comprise the mayor elected 'at large' and six councillors elected from two district-wide wards as follows:

- (a) three councillors elected by electors of the Wairoa General Ward; and
- (b) three councillors elected by electors of the Wairoa Māori Ward, without community boards.

OR

Option Two:

Wairoa District Council to comprise the mayor elected 'at large' and six councillors elected as follows:

- (a) two councillors elected by electors of the Wairoa General Ward; and
- (b) two councillors elected by electors of the Wairoa Māori Ward; and
- (c) two councillors elected 'at large' by electors of the Wairoa District as a whole, without community boards.

OR

Option Three:

Wairoa District Council to comprise the mayor elected 'at large' and eight councillors elected from two district-wide wards as follows:

- (a) four councillors elected by electors of the Wairoa General Ward; and
- (b) four councillors elected by electors of the Wairoa Māori Ward, without community boards.

OR

Option Four:

Wairoa District Council to comprise the mayor elected 'at large' and eight councillors elected as follows:

- (a) three councillors elected by electors of the Wairoa General Ward;
 - (b) three councillors elected by electors of the Wairoa Māori Ward; and
 - (c) two councillors elected 'at large' by electors of the Wairoa District as a whole, without community boards
- (c) That the formal legislative consultative process and timetable contained in this report be adopted.
- (d) That the hearing of any representation arrangements review submissions that may be received be heard by Council in early September 2024.

WAIROA DISTRICT COUNCIL REPORT TO COUNCIL

Title: 2024 Representation Arrangements Review
Report to: Wairoa District Council
Author: Dale Ofoske, Electoral Officer
Date: 30 July 2024

// 1.0 Summary and conclusions

A representation arrangements review is required to be undertaken by all local authorities at least once every six years. The last review for the Wairoa District Council was undertaken in 2018 (for the 2019 and 2022 triennial elections) with the next review required in 2024 (for at least the 2025 triennial election).

A representation arrangements review considers whether councillors are elected by electors 'at large' or by electors of wards or a mixture, the total number of councillors, whether there are community boards etc. The current arrangements, the mayor and three district-wide general ward councillors and three district-wide Māori ward councillors were established following a Māori Ward Poll held in 2016, and applied for the 2019 and 2022 triennial elections.

Prior to undertaking a representation arrangements review, two other issues require Council consideration - the choice of electoral system, and whether Māori wards are retained. Both of these issues were considered by Council on 22 August 2023 where it was resolved to retain the first past the post (FPP) electoral system and to retain Māori wards for the 2025 triennial elections.

The initial proposal of a representation arrangements review must be completed by 31 July 2024. Informal preliminary consultation generally indicated support for the status quo.

The matter for consideration now is the adoption of an initial proposal on the representation arrangements for at least the 2025 triennial elections.

// 2.0 Recommendations

It is recommended that Council:

- (a) Receives the report titled 2024 Representation Arrangements Review, dated 30 July 2024; and

8.2 COMMUNITY HALLS INFORMATION UPDATE

Author: Luke Knight, Kawhakaere Rawa me te Para Totoka | Property & Solid Waste Manager

Authoriser: Mike Hardie, Pouwhakarae - Hua Pumau | Group Manager Assets & Infrastructure

Appendices: 1. Community facility information [↓](#)

1. PURPOSE

This report provides information for Council on council's ownership of community halls in the district. No decisions are required by Council at this stage.

RECOMMENDATION

The Kawhakaere Rawa me te Para Totoka | Property & Solid Waste Manager RECOMMENDS that Council receive the report.

1. BACKGROUND

- 1.1 Elected members have requested information on community facility ownership.
- 1.2 The summary table shows there is a wide range of scenarios, including land and buildings owned together or separately by Council, the Crown, community groups, marae, or private owners.
- 1.3 Work is ongoing to research ownership, in line with the recommended actions in the final column.
- 1.4 Some properties are subject to the Reserves Act 1977, which restricts the possible uses of the land and Council's ability to lease the land.
- 1.5 Due to the inconsistent status and ownership of the domains and hall sites, it is not possible to have one single approach to the administration and control of these properties.

Alongside the status and ownership and any associated legislative constraints, other factors such as the age and condition of the improvements, level of use, available alternatives and council's and local communities' aspirations for the facilities will need to be considered when assessing options for use.

8.4 WAIROA RECOVERY UPDATE JULY 2024

Author: Steve Baker, Tautoko Whakaora - Recovery Support

Authoriser: Gary Borg, Pouwhakarae - Putea Tautawhi Rangapu | Group Manager Finance and Corporate Support

Appendices: Nil

1. PURPOSE

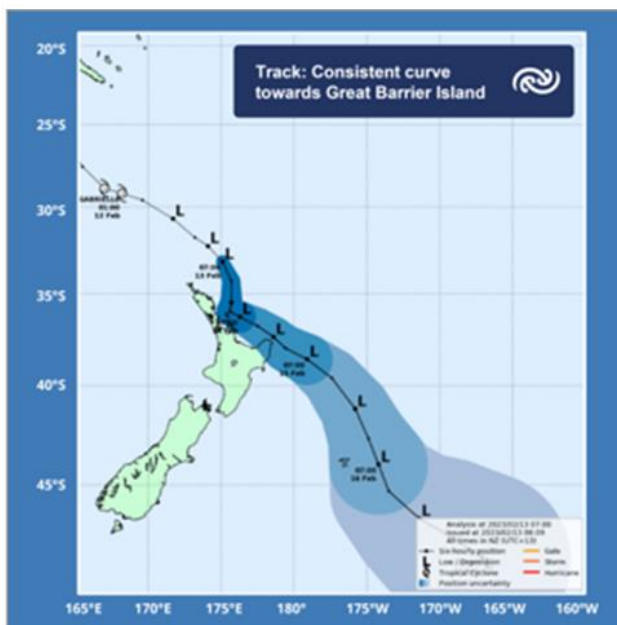

- 1.1 To update Council on the progress of the Cyclone Gabrielle recovery program to 23 July 2024.

Recommendation

The Tautoko Whakaora - Recovery Support RECOMMENDS that Council receive the report.

2. BACKGROUND

- 2.1 At 0515 Hrs Tuesday 14 February 2023, Hawke’s Bay region declared a State of Local Emergency due to the flooding effect of Cyclone Gabrielle. At 0843 Hrs, the Minister for Emergency Management declared a State of National Emergency to assist in the response. The declaration applied to Northland, Auckland, Tairāwhiti, Bay of Plenty, Tararua District, Waikato, and Hawke’s Bay.
- 2.2 Cyclone Gabrielle resulted in extensive flooding across the north and east of the North Island. Major flooding occurred in the Wairoa District as the Wairoa River and numerous tributaries overtopped their banks, causing flooding into residential areas, and cut off rural communities. There was extensive surface water flooding across the district in all catchments.

- 2.3 The impact of Cyclone Gabrielle to whānau, where, whenua, and our pātaka has been destructive and devastating. The consequences are felt by everyone and every community in our rohe. No one is unaffected. We expect, based on other New Zealand

flood events, that the social and economic consequences will worsen in the upcoming months and years.

- 2.4 The key area of impact in the Wairoa District was in the north of Wairoa with the river breaching its banks on the north-western side of the town and flooding the rural areas of Waihirere and Ruataniwha, and urban area of North Clyde. There were however floods in Awamate - on the other side of the river, Frasertown, Whakakī, Nuhaka and Mahia, where damage to homes was more limited.
- 2.5 There was also significant damage to the landscape, rural properties, and the primary sector, including horticulture, cropping, dairy, sheep and beef, and forestry. Many farms have limited access to and within their properties due to farm tracks being cut off or washed out. Water damage, erosion and silt deposition have damaged fences, access tracks, water infrastructure, destroyed crops (particularly maize and squash) and silage/hay loss and caused damage to ancillary farm buildings and dairy sheds. There has been significant pasture loss.

KEY MESSAGES – 30th July 2024

- 2.6 At its February 2024 meeting Council requested the Recovery Team additional information on placarded homes.

Status of Stickered homes

<https://www.building.govt.nz/assets/Uploads/managing-buildings/post-emergency-building-assessment/rapid-building-assessment-placards-and-forms-quick-guide.pdf>

- 2.7 Information obtained from our Kaimanaaki by visiting impacted properties, and discussions with other agencies operating in this space is that there are.

Yellow placarded houses rebuild listed by lead Agency managing rebuild.	Number	Comment
Recovery Team	23	
TToTW	20

Total	229	

2.8 In May 2024 a project manager was appointed to the rebuild programme to provide additional impetus and a strategic overview. It is anticipated that, with the support of elected members, a defined schedule of works will facilitate securing additional external funding to complete the programme. An initial discovery exercise culminated in the presentation of a ‘Way Forward’ Proposal, containing the following phases:

June – August 2024	Phase 1 - Establishment Development of project team and support structure.
July – September 2024	Phase 2 - Allocation and assessment. Communicate with rebuild providers allocate housing. Note a prioritisation model has been in use for some time to assist in determining priority of rebuilds.
August 2024 – June 2025	Phase 3 – Rebuild Implementation, monitoring, and closure. Allocate tasks and all trades; Track progress; Close off sites.

More work will need to be undertaken regarding the insurance status of the homes. Some are not insured, some are anecdotally underinsured, and some have their bank holding the payout and the houses not liveable.

One-on-one interviews will need to be undertaken to assess the needs as well as insurance contributions and a Council policy regarding support as well as consideration of equity.

The discovery report outlines a priority system which has a high preference for those with no insurance. Currently this is being used to manage the sequence of works.

To this end, the team are currently meeting with impacted property owners to build a picture of needs by property.

A Registration of Interest has been sent to potential suppliers that may be interested in participating in the rebuild. The ROI will close on the 24th of July. The rebuild Manager will workshop the outcomes of these two processes with Council to determine a way forward.

2.9 MPI – With an original delivery cut-off of 31 December 2023 the recovery team attained an extension of delivery to 31 March 2024 from NIWE and MPI. It has been a dynamic process with deliverables changing after considering community feedback. There has also been the need to try and fund greater levels of historical response expenditure that were unable to be funded through other avenues. This has led to recovery staff working

with MPI to obtain the funding variation between the Isolated Communities and Community Hub grants. The pressure is most definitely on in the next couple of months to get these projects and funding over the line.

The Isolated Community fund has been fully consumed. It includes:

- \$ 7,000 initial recovery plan
- \$ 87,000 in funding Welfare claims not covered by NEMA.
- \$ 14,000 MPI project back-office costs including administration and support.
- \$ 96,000 for 2 10ft mobile EPODS (not the contents)
- \$ 45,000 for Recovery Plan reset.

We are finalising the locations for the remaining EPOD's with the communities where they will be positioned.

To date we have spent.

- \$95,000 on a 20ft EPOD and its contents this has been delivered to Wairoa
- \$64,000 for the contents of the two mobile EPODS due for delivery June/July 2024.
- A 20ft EPOD is currently being assembled for Putere.
- Discussions are underway with the remaining communities to finalise the sites on which the EPOD's will be located.
- Water tank has been installed at Putere.

2.10 Silt and Debris Fund. Initial conversations have been held with HBRC representatives regarding the potential to utilise a section of this fund to assist Council in creating a new landfill cell. The feedback received to date is encouraging.

2.11 The Recovery Plan consists of several, independent or at times interlinked, work-packages many of which are underway concurrently. Section 3 of this report provides a high-level 'Dashboard' overview of each of these work-packages to the 23rd of July 2024 as well as a forecast out to June 2025. There is also a narrative for each highlighting milestones to date, as well as an explanation of where we are heading in the future. It is hoped that elected members will be able to use this report as a resource when talking to members of the community.

		<p>Milestones to 23 July 2024</p> <p>Funding has been obtained from DIA for \$250,000. This is used to fund Recovery staff employed by Council. Prior to receiving this funding, The Recovery Manager salary sits under the DIA funding it covers any salary since the appointment and is also forecast in the Recovery Office budgets. No Council funding has been required for this Work Package it is entirely funded by the DIA. The surplus under this fund offsets the deficit under the Community Hui Fund below. We have approached DIA to outline the need for further funding in 2024/25. The application was submitted on the 30th of May. It is envisaged that the resourcing of the recovery office will be scaled back for 2024/25.</p> <p>Future Milestones</p> <p>We await the response from DIA expected in mid-August.</p>

		External Funding	\$450,000	TBD				
		<p>Milestones to 23 July 2024</p> <p>Funding received from DIA \$450,000 so programme can be resourced. Recovery Manager meets regularly with Mary Wilson from DIA to ensure that all funding used from this fund is allocated as per the requirements of DIA. No Council funding has been required for this Work Package it is entirely funded by the DIA. The deficit under this fund is offset by the surplus under the Recovery Hub Fund above. Where Possible costs have be transferred to the MPI fund. We have approached DIA to outline the need for further funding in 2024/25. The application was submitted on the 30th of May.</p> <p>Future Milestones</p> <p>We await the response from DIA expected in mid-August.</p>						
Mayors Fund	Wairoa Recovery Manager							
			To 23 July 2024	Forecast 1 July 2024 to 30 June 2025				
		Expense	\$1.09m	\$0.4m				
		External Funding	\$1.51m					
		<p>Milestones to 23 July 2024</p> <p>Some \$1.09m has been distributed to date with a further \$0.42m on hand to distribute. Small donations continue to come in spasmodically. \$500,000 of funding has been repurposed to the rebuild and has been isolated. An additional 78,000 was received from First Light.</p> <p>Future Milestones</p> <p>Distribute the remaining balance of the Mayoral Fund in 2024/25</p>						
Red Cross-Liveable Homes	Wairoa Recovery Manager							
			To 23 July 2024	Forecast 1 July 2024 to 30 June 2025				
		Expense	\$0.56m	\$0.54m				
		External Funding	\$1.1m	-				
		<p>Milestones to 23 July 2024</p> <p>There are still unknowns, and now we have people in the team who are trying to fill in the gaps as quickly as we can. We are working across the community agencies to help us do this. There are also a number who are underinsured, and others who are uninsured due to the cost of insurance. To add to the complexity there are a few different players operating in this space, not necessarily</p>

		observing the same protocols. \$40k in septic tank costs have been relocated from this fund to the Silt and Debris fund following a meeting with HBRC in July. This frees up this amount for other purposes. Future Milestones We continue to work to close the information gaps and return our whānau to their whare. The Rebuild Project Manager has presented a ‘way forward’ proposal in this space. It forms the basis of section 2.8 earlier in this paper. A meeting with prospective funders was held on 12 June 2024. We await feedback.					
MPI – Isolated Communities	Wairoa Manager	Recovery					
			To 23 July 2024	Forecast 1 July 2024 to 30 June 2025			
		Expense	\$249,300	\$250,000			
		External Funding	\$250,000	\$250,000			
		Milestones to 23 July 2024 The Isolated Community fund has been fully consumed. It includes: <ul style="list-style-type: none"> \$ 7,000 initial recovery plan \$ 87,000 in funding Welfare claims not covered by NEMA. \$ 14,000 MPI project back-office costs including administration and support. \$ 96,000 for 2 10ft mobile EPODS (not the contents) \$ 45,000 for Recovery Plan reset. Delivery of transportable EPOD’s to Wairoa in June/July 2024. This fund is now exhausted. Future Milestones Based on actual expenditure the variation provides for expenditure to be transferred between the two NIWE funds based on objectives.					
MPI - Community Hub Resilience	Wairoa Manager	Recovery					
			To 23 July 2024	Forecast 1 July 2024 to 30 June 2025			
		Expense	\$164,000	\$641,000			
		External Funding	\$800,000	-			
		Milestones to 23 July 2024 One community has secured its own funding this impacts funding from DIA as the grant is limited to \$100,000 per hub. To date we have spent. <ul style="list-style-type: none"> \$95,000 on a 20ft EPOD and its contents \$64,000 for the contents of the two mobile EPODS due for delivered June 2024. Water Tank delivered to Putere Future Milestones We are having a reset in the Community Hubs Project to ensure maximum delivery from this fund and eliminate potential duplication with other providers in the district. Once completed final orders will be placed. Provision has also been made under this grant for: First aid training of Whanau \$34,000

	Expense	\$176,000	-				
	External Funding	\$174,000	-				
	Milestones to 23 July 2024 TAS placement of units has slowed down considerably as demand has decreased. TToTW POD placements have remained steady and is progressing well. Future Milestones Based on reduced requests our part in this service is reducing also Staff are investigating the which expenditure has not been reimbursed by MBIE and a claim will be submitted.						
Land Categorisation	Mayor & CE						
	Milestones to 23 July 2024 Land Classification project is linked to the outcome of the flood protection project.						
Flood Mitigation	Mayor & CE						
	Milestones to 23 July 2024 Treasury has confirmed that \$70m has been ring-fenced for Wairoa flood mitigation. Options have been presented in Wairoa. Regional Recovery Agency (RRA) has proposed an Order in Council to streamline consenting processes to accelerate the programme. RRA is funding shared legal representation. Future Milestones Significant inherent programme management risks and exposure to cost overruns. Income and Expenditure is not being processed through Council but HBRC. The implications for properties that would be adversely affected by the solutions considered 'practicable' are causing significant concerns.						
	NEMA - Solid Waste Management Fund	WDC GM Assets & Infrastructure					
			To 23 July 2024	Forecast 1 July 2024 to 30 June 2025			
Expense	\$1.24m	-					
External Funding	\$1.48m	-					
Milestones to 23 July 2024 Councils Claims have been accepted. This work package is now closed. The difference between Income and expenditure of \$240,000 represents ratepayer funding percentage of the Landfill Activity not covered by fees and charges (Refer Councils RFP) and applied to this work-package. NEMA has agreed to reimburse that amount. This fund is now closed.							
HBRC - Extreme Weather Event Recovery Activity (Silt)	WDC GM Assets & Infrastructure						
		To 23 July 2024	Forecast 1 July 2024 to 30 June 2025				
	Expense	\$5.18m	\$4.22m				
	External Funding	\$7m	Unknown				
Milestones to 23 July 2024 A total of \$9.4M has been secured and is ringfenced for this work. \$7m has been paid and we have good reporting lines and tracking data for silt. High confidence that \$9.4M will be fully utilised. No overruns envisaged at this stage however potential asbestos issues and associated costs remain a risk to budget.

	<p>Silt cleared from storage areas such as the Railway yard.</p> <p>\$40k of Septic tank cleaning costs have been accepted under this fund and therefore transferred out of the Red Cross work-package freeing up \$40k under that fund.</p> <p>Future Milestones</p> <p>Debris from stripping houses expected to increase over coming months. Potential asbestos issues and associated costs remain a risk to budget.</p> <p>It is understood that the fund has been extended to 31 December 2024. Staff are working with HBRC to see if the deadline for this fund could be extended beyond December 2024. Significant risk remains that we will be unable to utilise this fund for removing building materials including asbestos from the residential rebuild programme before this fund, even if it is extended, closes. It is understood that discussions are underway to see if some of this fund could be repurposed.</p> <p>Staff are reviewing expenditure in a few general ledger codes to determine if these can be funded through the silt fund. In June 2024 \$100,000 of expenditure in Parks and Reserves was identified as being claimable under this fund. This process is ongoing.</p> <p>Staff are in discussions with HBRC to see if the construction of a new Landfill cell could be funded in part out of this fund. Feedback to date is encouraging.</p>					
Infrastructure – Roading	WDC GM Assets & Infrastructure					
		To 23 July 2024	Forecast 1 July 2024 to 30 June 2025			
	Expense	\$44.9m	Unknown			
	External Funding	\$41.4m	Unknown			
	<p>Milestones to 23 July 2024</p> <p>The initial \$16m response funding has been used well to get access back in most locations, and to help with cashflow, a cost-scope adjustment request has been made and Council were successful in securing \$31m extra at 100% FAR. Funding for final reinstatement is being discussed with Waka Kotahi, likely to require Council share. Crown funding allocated for Te Reinga Bridge repair \$14m. if the cost of repair exceeds \$14m then the difference will be at Councils expense. Continual rain events are hampering progress.</p> <p>Future Milestones</p> <p>There is a drive to get this work complete before as soon as possible, as the way forward beyond this date is uncertain.</p>
